

NOTICE OF HEARING ON APPLICATION FOR CHANGE IN CONDITIONAL USE PERMIT

Please take notice that a public hearing will be held at the Milton Town Hall, 23 First Street, Town of Milton, Rock County, WI beginning at 6:30p.m. on Monday, December 8, 2014 to consider the following change:

Application of Harold Traynor Revocable Trust/Scott Traynor, 7030 E County Road N, to modify or change two conditions on the existing conditional use permit to operate a gravel pit to extract materials from these properties, and to develop the mineral resource to supply aggregate for highway projects. The parcels are 6-13-102.01 and 6-13-99; Sections 12 & 13; Town 4 North; Range 13 East; total acreage to be used for the project is 137, in the Town of Milton.

Conditions to be modified or changed out of the 31 conditions presently in place are: number 3, which does not allow the use of wash plants for screening and washing aggregate materials; and number 12 which requires that all gravel pit operations cease by September 15, 2018.

Any person interested and/or affected by this proposed change will be given a chance to express their opinions at this time. The Milton Town Board will hold a joint meeting with the Planning & Zoning Committee and review this request.

Dated this 19th day of November, 2014
