FIRE DEPARTMENT

January 6, 2016
Press Release

The Milton and Milton Township Fire Department is seeking two citizens to serve on a committee for prioritizing , and advising the Fire Commission on implementation of the R. W. Management study findings.

One person living within the City of Milton and one person living within the Town of Milton are needed to give citizen input on the direction and timing of implementation. The committee will consist of the two citizens, two members of the Commission and several fire department members. The length of service of the committee may be up to three months with weekly meetings probable.

If you are interested in serving on the committee please call the station 868-2842 any questions to put your name on the list. You will be contacted after the January 20th Commission meeting to confirm your selection.
